

MESSAGE FROM THE CHAIRMAN OF THE BOARD

World Alpabut Federation · Statutes & Constitution, Edition 2026

Foreword accompanying the Statutes — not part of the constitutional text

Dear Members, Athletes, Officials, and Friends of Alpabut,

On behalf of the Board of Directors of the World Alpabut Federation, it is my privilege to present these Statutes and Constitution. They were adopted by the Board of Directors on 19 May 2026 by Resolution WAF-BOD-2026-001, with provisional effect, and are submitted to the General Assembly for ratification in December 2026.

Alpabut is more than a sport. It is the modern competitive expression of the Turan martial heritage — a discipline rooted in the historical combat traditions of the Turkic peoples. To carry this heritage into the international arena demands integrity, transparency, and an uncompromising commitment to the welfare of every athlete, coach, and participant.

These Statutes establish the principles that bind us together and the structures through which the Federation will continue to grow. They are the result of careful study of the best practices of international sports governance, adapted to the unique cultural and technical identity of Alpabut.

On behalf of the Board, I invite every member, official, and athlete to study these Statutes, to embrace the principles they enshrine, and to join us in building a Federation worthy of the heritage we represent.

Vasif Namazov

Chairman of the Board

World Alpabut Federation

Baku, 19 May 2026
